

TAMBER BEY

2005 Two Rivers Cabernet

Winemaker Notes, Thomas Brown

After 20 months in 25 percent new French Bordeaux Barrels, the 2005 Tamber Bey Two Rivers Vineyard Cabernet Sauvignon emerged to reveal a nose dominated by cedar, blackberry and mint. The palate follows this thread by offering cloves, mint, red raspberry and cherry compote. The oak contributes a sweet cream and vanilla element that balances the round tannin component of the wine. Sweet, black fruits round out this exemplary wine. 1000 cases.

Vineyard Manager Notes, Josh Clark

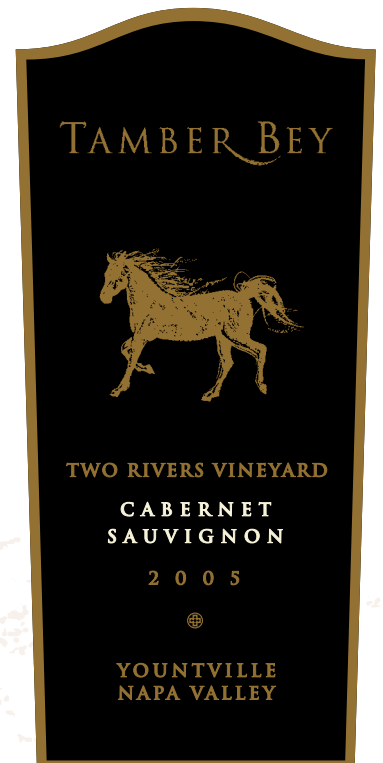

Cool marine influences and fog contribute to cool summer mornings and a calming marine breeze in the late afternoon. The gravelly silt loams, sedimentary in origin, and moderately fertile soils help produce ripe, violet aromas, rich but supple flavors and firm tannins.

Two Rivers Vineyard – Yountville Appellation

The Two Rivers Vineyard is a 60 acre parcel situated just east of the town of Yountville. As the name implies, there are two waterways on either side of the vineyard, one being the Napa River. This vineyard is planted to Cabernet, Merlot and Chardonnay. This vineyard even more so has influences from the San Francisco Bay with fog and late afternoon winds.

Tamber Bey

Tamber Bey is a family-owned and operated winery producing Cabernet Sauvignon, Merlot and Chardonnay wines. The winery harvests fruit from their two family-owned vineyards at the heart of the Napa Valley in Oakville and Yountville. The name Tamber Bey reflects the names of Barry's first two Arabian horses, Tamborina (Tamber) and Bayamo (Bey), both high level endurance performance race horses.
