

Aromas de Turis
White Sangria
Non-vintage

The White Sangria is made from white wine with all natural, essential fruit oils of orange, lemon, apple, peach, and apricot. This enticing beverage is light on its feet with bright citrus and apple fruit and a bright, crisp acidity. The finish is clean and fresh. Add thinly sliced lemon and granny smith apples for a citrus like, zippy summer drink or oranges and peaches/apricots for a slightly sweeter version. But try it first on its own before adding anything - its delicious all by itself! **Serve Chilled!**
